I think his point about the 9th was he will not be coming to the CAG tour.....but I think I can say for the CPG we are sorry if he has been inconvenienced....

I could send a response stating that the barge movement schedule is posted on a weekly basis, with updates as needed, to the RM109.com website. While it's too soon to know the schedule on 9<sup>th</sup>, the schedule will be known prior to the 9<sup>th</sup> and travel plans can be adjusted accordingly, if necessary.

Anything else?

Stephanie:

Is this something EPA will address or should the CPG?

Thanks

One night last week a barge was being pushed down river at about 7 pm. Rt 21N was bumper to bumper from Belleville to Newark, likely do to bridge closings.

PS I am on vacation 9/9. I'll take a Raincheck.

Hi Everyone, we are confirmed for September 9.

A charter bus pick up CAG members at St. James Church at 4 p.m. and the Tour is scheduled to begin at 4:30 PM. If it is easier to meet us at Riverside Park, please be there at 4:30. The tour should last about 90 minutes and the bus get us back to the Church around 6:30-7:00 depending on traffic.

This is a great opportunity and we are hoping for a good turnout. Please RSVP so I can get a sense of how many folks will be attending and let me know if you have any questions.

thanks

Doug
